Activities Questionnaire Summary

Results have been sent to all members. While members like to go to different restaurants after the monthly membership meeting, and occasionally have meetings at different restaurants, it is difficult to find restaurants near Thorobred Chevrolet which can accommodate the Club. There is interest in participating in a Road Rallye but sponsors are needed to put the rallye together. A majority of members are open to having the Annual Banquet in January. Therefore, on a trial basis, this year's banquet is scheduled for January 10, 2015. Members want to keep music, dancing and entertainment as part of the event. A member is needed to sponsor the January Annual Banquet.
