June 17 – Corvette Museum & Assembly Plant tour – sponsored by the Katzes and Swansons

While members for the Pima Air Museum driver were gathering at the McDonalds at Wild Horse Pass in Chandler, a member was approached by a stranger who asked about our Club t-shirts and the Corvettes in the parking lot. This stranger turned out to be from Bowling Green Kentucky and his father and grandfather had both worked at the Corvette assembly plant-quite a coincidence.

NCCC Report

The last quarterly governors' meeting was held at Hot Rods at Vail which is a restaurant and garage. The third quarter meeting will be in Ruidoso July 18 and 19. The Roadrunner region is exploring the possibility of sponsoring a group car show which would include all car clubs in the region. New NCCC patches are available at a cost of \$5 each.

Old Business

The check for Packages from Home was delivered by Dave Lott and very much appreciated.

New Business

Cruise into Creek Days 5th Annual Car Show and Festival will be held on August 29th in Payson.

Committee Reports

The Event Committee is available to help any member to plan and execute a Club event.

A volunteer is needed to replace Dave Lott as chair of the Corvettes in the Park car show for next year. John Veirs has put together a procedural/operational notebook, or "how to" manual for chairing the event. Dealing with the City of Chandler in organizing this event has been easier than in the past.
