

MEMBER MEETING MINUTES, 3/6/2025

Floridino's Restaurant

Elected Officer Reports

President, Gordon Stewart

Gordon called the Membership Meeting to order at 6:45 pm.

Gordon asked for a motion to approve the minutes of the February member meeting. Tom Palmer noted that I should have stated that he was insured with Hagerty instead of signing a contract with them. **Moved:** Roc Campise; **Second:** Anne Nelson; **the minutes were approved unanimously.**

Freeway Chevrolet Presentation: Ken Rock introduced the Freeway Chevrolet new personnel. Our new contact for sales is Andrew Billy (480) 753-1234 Cell (480) 742-4253. Our new contact for service is Logan Evans-Pusch (480) 753-1234 Ext 1173. His direct number is (480) 753-0338. Mark Koehler told the group what a pleasant experience he recent had getting his Corvette serviced. They concluded their presentation at 7:02 pm.

Their first edition is on the website and is recommended reading. Send articles starting in early April.

Tech Advisor, Howard Katz

Tech is working well.

Public Relations Director, Ken Rock

The guys from Freeway Chevrolet are scheduled for the April meeting to discuss extended warrantee options they have to offer.

Ken stated that the Corvettes in the Park event appears on 5 other websites.

Old Business

Several members have asked to make the activities information on the website available in the public area. The Board has agreed to move the Activities calendar from the Members Only page to the Activities page in the Public Area. The event flyers will remain in the Members Only page because they contain the host's personal information. A few members have had difficulty opening CCA communications (web, chimps) while using their phones. Charlotte has worked out a system for them. They are happy, and this problem is solved for now.

New Business
