8/14/25 Vette Set dinner will begin with drinks at Gordon's home. Dinner at ToScany's Pizza begins at 6:15. Separate checks are acceptable. Flyer to be posted soon.

8/22/25 Kevin Deihl is planning a driver to an indoor amusement venue. Go-karts?

9/21/25 The status of the popular Teppanyaki Party by the Hagans' is not clear and will be clarified as they get a chance to review their schedule.

10/23/25 The Board meeting will be moved from the 16th to allow Board members to attend the Frieszs' driver to the CAF Museum.

Late October A Ghost House driver is being planned by the Civaliers'.

11/1/25 A Halloween party is being planned by the Hagans'.

11/15/25 The progressive dinner moved from October 11th. Flyer to follow.

12/11/25 The Thank You Dinner was met with some resistance. In view of Susan's written position on the event, further discussion was tabled until the next Board meeting.

Membership, Kevin Deihl

Kevin is working on the following new member applications for those who are still interested in joining the CCA:

Ed Knight drives a white '61 with a '58 in the works. His work at the CAF Museum might make it difficult to devote time to the CCA.

Pete Famighetti drives a '14 red C7 and is out of town.

James Veloz drives a '17 yellow C7 and is in Flagstaff.

Brian and Deanna Betz are still active.

The following people are approved by the Board as new members:

Jim LeRoy and his wife were accepted unanimously by Email per the SRPs, since lack of a Board meeting in June would have delayed their participation.

Gordon asked for a motion to approve Frank and Clara Montanile to become members. **Moved:** Charlotte Hughes; **2nd:** Kevin Deihl. **The motion passed unanimously.**

Kevin reported approval of Chevys in the Park by the City of Chandler. Work with the DCCP is in progress for their \$500 donation. The new \$337 road closure invoice is planned to be paid with assistance from booth sponsors of \$50. Kevin recommended that we build baskets of nice Corvette parts to benefit US Vets. Kevin shared the draft of the flyer and received some helpful input.

Officer at Large, Cis Eberst

Cis said that she had successful pickup of lightly used clothing by [HelpVets.com](https://www.helpvets.com).

Webmaster, Eva Platten

The website is up to date. The portraits from the Anniversary Party are posted.

Crosstalk Editor, Michelle Civalier

Michelle said she would like to make requests for officer reports in the future to avoid redundancy. The standard will be the President's and Editor's comments, plus an invited guest. A discussion of Corvette repair articles made it clear that long technical articles were not helpful to the majority of the members. Maybe reports of great experiences members have had getting their Corvette repaired might be useful in some form. The deadline for the next issue is August 22nd.

Tech Support Member, Howard Katz

Howard asked if he could work with the manager at Floridino's to store the club PA system onsite. This would avoid unnecessary work and risk while moving the heavy equipment. The Board agreed that he should proceed.
