Dear Corvette Club of AZ,

We all would like to thank you from the bottom of our hearts for your contribution. According to the DOD's most recent report, there are more than 200,000 American troops serving in over 170 countries around the world. We can't complete our mission without the support from folks like you.

Your tax-deductible, charitable gift will enable Packages From Home to fulfill its mission to send care and comfort packages to deployed American troops who are stationed in active duty theaters around the world, as well as to facilitate activities that elevate morale of all veterans. Currently, Packages From Home sends around 6,000 care packages every year, more when the donations are more fruitful. We send at least two care packages to each individual service member registered on our website, they tell us that they share those boxes of goodies with at least five other service members. It's amazing what a small act of kindness can do for the wellbeing of these men and women serving our country.

Please use this document as a tax receipt for your donation, which is described below.

Sincerely,

Packages From Home
