Dear Mr. Deutscher,

On behalf of Westside Christian High School and Rose Becker Langham's family, I want to thank you for your generous gift of \$50.00 to the Remembering Rose Fund for Financial Aid. Believe it or not, your contribution ultimately helps to change the world! By partnering with Westside you are helping equip servant leaders and educating the next generation for God's glory.

Your participation will help support the many students who energize our campus through their leadership, talent, intellect and character. Given current economic conditions, we anticipate that 15-20% of our students will need some financial aid this coming year. With your help we will strive to make it possible for these students to remain at Westside.

And thank you for continuing the legacy of Rose Becker Langham (Class of 2000). Rose's life is a story of beauty and generosity. At her very core Rose saw beauty in the ordinary and was compelled to add to the beauty in the world through her artistry and creativity. Rose also had a generous nature and spirit that gave until the very end. Because she chose to be an organ donor, she gave the gift of life to four people as she passed from this world to the next.

Rose treasured her experience at Westside Christian High School so much that she said she would sacrifice anything for her future children to have the same opportunity. Her family requested the creation of this fund because Westside meant so much to her. The Remembering Rose Fund will allow Rose's generous spirit to impact many generations of young people.

Thank you for helping to make a way for students who would not otherwise be able to experience the transformational impact of a Westside Christian education. There is really nothing more important than preparing our students for the purpose God has for them.

Sincerely,

Steve Pringle  
Financial Aid Program Director
