Corvettes in the Park Car Show on April 3rd was a success! Beautiful location, weather, number of willing volunteers. Ron's objective was to have a good turnout, have fun, and raise funds for Packages from Home. About 100 cars had preregistered. Of those 89 participated. Fewer showed for same day registration than in the past. Ron commented that next show might require some active flyer distribution and pr. Approximately \$4,400 in revenue was received.
