President Tom Palmer @ 7:00 PM. Called the meeting to order.

Tom welcomed the members back to the Golden Corral. He briefly mentioned the April minutes from the special board meetings and the membership minutes which had been emailed to members. There were no additions or corrections requested, so he asked for a motion to accept the membership minutes. Jim Kerber moved to approve the minutes; Ken Rock 2nd; Motion carried.

Olga Tucker and her service dog, Scout, from Packages from Home (PFH) joined the meeting and described the services they provide to service members. PFH was established in 2004 and sends both food and personal hygiene products. CCA has had packing days at PFH headquarters for the last several years. CCA raised \$1,025.00 at the April Car Show as a donation to PFH. The check was presented by Tom Palmer to Olga with CCA's best wishes for their continued success.

Tom acknowledged that Ron Brennan was in the house and he is now driving a new Torch Red C-8. Congratulations, Ron B.

Governor Report: NCCC Ray Jenkins:

Ray will be attending the regional meeting in St. Louis in the next few days. There are three vacancies on the regional board and he will provide information to anyone who may want to be nominated for Regional Executive, Membership, or Competition Director. Ray is interested in serving as Competition Director and will keep us posted.

Roc Campise, Officer at Large: Nothing to report.

Membership Chair: Mark Godina

Gary Radvany was welcomed as our newest member. Mark presented him with his new member badge. Dave Woods was a first timer at our meeting. He drives a C-7 Grand Sport and let us know that he uses this as his primary car! We welcome these folks to CCA.

Webmaster: Eva Platten: In her absence, Tom reported that the website is up to date!

Crosstalk: Kevin Deihl

A big round of applause was given to Kevin who published a lengthy Crosstalk with really interesting information. Kevin advised that the next issue to be published after 7/1 will be more modest, as he has other activities on his mind...like getting married. Keep sending him photos and articles!

Old Business:

Tom updated the members on the SRP (Standing Rules & Procedures) update. The board is reviewing these and will propose updates in the coming months.

A By Laws update is also being prepared that will say that a resignation submitted while member sanctions are pending will not be effective until completion of the sanctions.

The Region Awards have been digitized for club records. Summit Racing Posters that had been in the storage unit were given away to the delight of several members.

A survey of the membership was sent out and Susan has received 65 responses out of 113 members. Of those, 35% have been in CCA for 5 to 10 years and 92% enjoy the club because of the socializing that occurs. The board will be reviewing the findings and a full report will be out after the board meeting.

New Business:

Kevin described last year's Prescott Vette Set drive and car show. He is interested in leading a group there this year. Registration is now open. Dates are 9/23 – 9/24. He will be going up on 9/23 and has reservations at the Hassayampa Inn. Please let him know if you wish to participate.
