NCCC Region is still in need of replacing the regional competition and membership directors. Ray is interested in the competition position and will keep us posted on his status. He indicated NCCC's emphasis will be on safety in the year to come. The region has \$4,626 in the treasury and is considering donating \$1,000 to St. Jude's Children's Hospital. There was some member discussion about NCCC distributing these funds to local chapters so they could donate to charities of their choice. No decision was made.

Membership, Mark Godina

Guests this evening were Bill Kell who drives a 2004 Le Mans Blue vette and Michael Voyk, who owns an '81 C3 and an '85 C4. Returning guest was David (Dave) Woods. He is almost complete with the membership process and Bill and Mike seem very enthused about joining CCA.

Old Business

1. SRP & Bylaws updates: The Board has reviewed SRP updates, which are mainly housekeeping in nature. Board is ready to approve at its next meeting.
2. A Bylaws change was brought to the membership for approval. It states "a resignation submitted while member sanctions are in process, will not be effective until completion of the sanctions process." Moved, 2nd, Motion passed unanimously.

3. Sponsor – CCA continues its search for a new sponsor(s). A flyer has been developed for members to use when approaching a business or individual to become a sponsor. Sponsors do not have to be car dealerships. Any business can aid CCA by donating space, raffle items, etc.

4. Member survey

Each of the 113 individual members received the survey and there were 68 responses. Most respondents approved of the direction and activities of the club. Most favorite thing is the people & socializing, followed by drivers & one day events. 60% said do two car shows, and whether there should be a dues increase was split about half & half. The board will decide on next year's dues schedule at its July board meeting, to be voted on by members at the August member meeting.
