President Tom Palmer @ 7:00 PM. Called the meeting to order and asked for a motion to approve the minutes from July Member Meeting. There were no additions or corrections requested. Neil Pivar moved, Dave Lott, seconded, motion passed.

Norma Marsh has passed away. We welcomed John Marsh to the meeting and are pleased he is with us. Cards with well wishes have been sent to John and he thanked us for them. Ray Jenkins was present, after having abdominal surgery. Healing, eating, and feeling okay. Ray thanked the members for their well wishes.

Tom reported on the Board's recommendation for an increase in dues for next year. Since costs have continued a very large rise, CCA has lost sponsorship, and no dues adjustment has been made for many years, the Board recommendation was for an increase to \$135 for a couple and \$125 for a single membership. After some questions and discussion, which was largely in favor of the recommendation, Jim Kerber Moved, Dean Sample second, motion passed unanimously.

Vice President, Ron Gliot.

Car Show planning is underway. A sign-up sheet was circulated so members could volunteer for their assignment. Discussion was held on places to solicit for raffle items. The plan is to have quality items, nicely arranged, donated, if possible, in baskets, for the raffle. A flyer has been printed for members to use if that would be helpful in approaching a business. Charlotte has these available. Contact her if you want some. Lylla has suggested wearing a CCA shirt and your name badge to identify members when approaching a business. Contact her if you want some. Contact Ron to volunteer and find answers to your questions.

Please continue to send articles...anything of interest, does not need to be only about cars!
Personal stories are welcome.

Old Business

Sponsor – CCA continues its search for a new sponsor(s). A flyer has been developed for members to use when approaching a business or individual to become a sponsor. Sponsors do not have to be car dealerships. Any business can aid CCA by donating space, raffle items, etc. Charlotte has the flyers members can use when approaching a potential sponsor. Call her.

New Business

Radios for use on drivers is highly recommended for communication and safety reasons. Tom & Ron & Dom have been researching and trying radios Model Baofeng GMSR 8-watt, UHF line of sight, several mile range, cost about \$75 on Amazon. Tom took down names from a show of hands of those who want to get radios, and Tom & Ron & Dom will work with this group so they buy the same radio and Dom will upload a settings & frequencies file for them.

Buy/Sell

Eva said John O'Boyle has a 2002, ZO6, for sale. 50,000 miles. \$26,000 price. Contact info for John is on CCA membership list.

Raffles
