Sheryl Katz' choral group of 4 is not available to sing the Car Show welcome with the National Anthem. However, she is still hoping to fill the needed vocal slots. Webmaster, Eva Platten

In Eva's absence, Tom reported the website is up to date, and the car show registration form is now available on-line.

Crosstalk Editor, Kevin Deihl

Old Business

Ron reported that – CCA continues its search for new sponsor(s). Don Smith has agreed to be in touch with some of his contacts. CCA needs a coordinator for this effort, someone with good sales techniques! Sponsors do not have to be car dealerships. Any business can aid CCA by donating space, raffle items, etc.

New Business

CCA is promoting use of radios on drivers for communication and safety reasons. The chosen type of radio is the Model Baofeng BF-F8HP 8-watt, UHF line of sight, several mile range, cost about \$64.89+tax on baofengtech.com. An application for a frequency has been submitted to the FCC and awaits approval. Members who purchase radios may bring them to the meetings once the approval is granted and radios will be programmed for a \$10 fee. These fees will help to offset the costs for the application license.

Buy/Sell No buy or sell.
