CROSSTALK

Official Publication of the Corvette Club of Arizona

Volume 17 , Issue # 2

Celebrating 48 Years 1975-2023

From the Prez

Tom Palmer

Dear Members,

What a roaring start to this year! We've had over 15 events for our members to choose from, in addition to the monthly Chick's Lunch and Rooster's lunches. The Corvettes in the Park car show raised about \$1100 for Packages From Home, and about \$1000 for our club treasury. The just finished Founder's Day Driver was excellent with good driving and food, and the wildflowers were all over the hills.

We could use some more events for the summer months.....we can end up in air conditioning!
And the MMT is coming up at the end of August, expect a flyer by the end of May.

We have a number of guests working on becoming members, be sure to say hello and welcome them.

Please say thank you to all the hosts who work to bring you these events.

Yours in vetting,
Tom

From the Editor Kevin Deihl

This edition features a lot of what makes CCA the best club in the Valley. From personal stories to timeless traditions, to drivers, breakfast, lunch, dinners, car shows and more. From seasoned members to newer members hosting events, we all have something to choose from to enjoy our cars and the people that own them. As the seasons change, so do our full time residents and some of the activities as well.

Ken Rock has been doing an outstanding job of securing sponsors for CCA. Freeway Chevrolet has stepped up big to help cover costs, and also save member's money on their car repairs and sales. Thanks Ken!

Corvettes in the Park was a huge success for us and Packages From Home. Thanks to everyone from the chairman, VP **Ron Gliot**, to every volunteer who helps make this show so fun and worthwhile. If we all pitch in a little, we can accomplish a lot! Planning is already underway for our fall show.

I'm sure there are trips being planned for family visits and vacations upcoming this summer. Travel safe, Save the Wave, and enjoy!

Finally, as we pay tribute and support our Veterans, enjoy Memorial Day, a day we honor those who gave the ultimate sacrifice for our country. *Love, Kevin*

[National Corvette Museum](#)

[Queen Creek Cars and Coffee](#)

[Cruisin' AZ website](#)

Dennis Renko, the club's contact salesman with Freeway Chevrolet is undergoing back surgery on May 30! He will be in the hospital for 2 to 3 days and out of work for about 10 days! I think would be a great gesture on our club's part for members to send him a get-well card to his office at the dealership! Freeway Chevrolet address is 1150 N. 54th St., Chandler, AZ 85226. I'm sure he would really appreciate hearing from our club members! Ken Rock

Volunteer Positions

Crosstalk Editor: Kevin Deihl

Webmaster: Eva Platten

Audio/Video: Ron Gliot

Public Relations Director: Ken Rock

Activities Director

Dom Lovino

Our club put together many great events/activities for March and April. Let me quickly run through them; during March - The Hagan Breakfast, Sun Lakes Car Show, Corvettes in the Park, and a Vette Set Dinner and during April - The Progressive Dinner and Founder's Days. We also continue to have our monthly gatherings with the membership meeting at Floridino's and Chicks and Roosters lunches at Stone and Barrel.

So far for the month of May, we have a Game Night (hosted by the Katz) on May 18th and a Mini Car Show (hosted by the Smiths) on May 23rd. For June, we have the North Rim Driver (hosted by the Campises). Although the temperature is heating up and our activities tend to slow down, we have opportunities to take advantage of driving to the high country to cool down for a day or two.

The success of the club truly depends on its membership being active by hosting events and attending them. There are many places to see and visit in the great state of Arizona. Consider going to your favorite restaurant - invite us to come along. You may have several games you may want to share with us - teach them to us. You may have a favorite town you like to visit or place to enjoy - invite us to come along. These events don't have to be complicated to put together - just ask for help.

I want to thank all the above for taking some time to put our activities together. They were great events. I also want to thank all that attended in making them successful. I hope you enjoyed yourselves and had fun. I hope to see more of our membership getting involved in planning and attending our events.

Chicks and Roosters

Activities Calendar

January 1-New Year's Day Dinner (Bassett) 5-Membership Meeting @ Floridino's at 6 pm, Meeting at 7 13-Chick's & Rooster's Lunch @ Stone & Barrel 19-Board Meeting (Lovino) 21- Panama Canal Cruise (Campise) 22-Show Series "Walkin' the Line" at 3pm Chandler Center of the Arts (Rock) 28-Gilbert HS Drumline Car Show/Driver (Platten)**	February 2-Membership Meeting @ Floridino's at 6 pm, Meeting at 7 6-Sweet Basil (Pivar) 10- Chick's & Rooster's Lunch @ Stone & Barrel 13-Sweet Basil (Bassett) 14-Singing Panda's (Rock)*** 16-Board Meeting (Godina) 19-Show Series "Karen Hester as Dolly" at 3pm Chandler Center of the Arts (Rock) 22-Packages from Home (Bassett)	March 2-Membership Meeting @ Floridino's at 6 pm, Meeting at 7 5-ND Picnic & Classic Car Display (Hedahl)** 10- Chick's & Rooster's Lunch @ Stone & Barrel 16-Board Meeting (Hagan) 18-Hagan Breakfast2 (Hagan) 19-Show Series (Rock) 23-Sun Lakes Car Show (Katz) ** 24-26 Roadrunner Region Gala* 26-Corvettes in the Park (Gliot) * 29-Vette Set Dinner (Pivar)

Vice President's Report

Ron Gliot

Happy Spring! It appears that we have done a pretty quick jump from a cool winter right into Summer this year. With that, we have a lot of great opportunities for some great events in 2023 yet to come. I encourage all members to not sit on the sidelines, but jump in and attend as many as you can. That is what being part of a Corvette club is about; sharing excuses to drive your Vette, have some fun, and make new friends!

On March 29th, 2023 at 6:30 am, the Corvette Club of Arizona descended upon A.J. Chandler Park in beautiful downtown Chandler to host Corvettes In The Park. Set up went smoothly and quickly and everyone was ready to open bright and early. Howard Katz cranked up the tunes to get us all going and the Corvettes were rolling in by 8:00 am sharp. East Valley Corvettes showed up with (18) cars to support the event and the general public registrations brought us to (111) cars total; (108) on the field. The Palmer registration team was flowing smoothly and the cars flowed in unimpeded, as the Lovino Parking Lot Lizards got the cars in place quickly and smoothly! The quality of Corvettes was stellar and you could pretty much pick out any year, model, or color one would like.

As the show progressed, KTVK 3TV showed up to take some video and do some interviews, which showed up later that evening on TV! Howard kept the tunes energetic all day and 50/50 ticket sales were brisk hosted by a team of volunteers. Packages From Home presented their cause and had volunteers even pack a few packages on site! As we neared the end, the awards were handed out with many smiles and the show wrapped up with the 50/50 award being handed out.

To view a video clip of News coverage of Corvettes in the Park, [click here](#)

The volunteer team worked rapidly to break down the show and head over to Floridinos for some pizza and recap of the successes and "areas of improvements" for the next event.

When all the smoke cleared and the numbers worked, CCA netted around \$2k, with half going to PCH and the other half going into CCA coffers to use on future Corvette fun!!!! This effort could not have been achieved without the myriad of volunteers who helped make it all a success. Thank you to you all!

The Palmers and Cheryl and I are working hard to host a successful Magical Mystery Tour again this year. There will be limited space, so I encourage you all to sign up as quickly as the trip is opened up. If you enjoy driving, surfing, snow skiing, hiking, boating, tennis, golfing, dining or bird watching, this just may be the trip for you.....

These past couple of months we have had a nice influx of new members come aboard and a number of guest members. Make sure you say hello to them and spend a few minutes getting to know them. I have chatted with most all and they all are ready to have some fun as well. With that, we love new ideas for excuses to eat.....er, I mean places to drive, so if you have those ideas, come forward and let your Board know. We are there to assist and ensure a successful trip. Remember, trips of all sizes and durations can be great fun. (30) car trips can be fun, but likewise (5) car trips can be equally as fun, so never worry about the size of the trip being a measurement of success.

Let's keep driving and having fun.....

Keep the shiny side up! Ron Gliot, Vice President and Car Show Chairman

Membership Report

Mark Godina

It is with great pleasure that I announce our newest members of the Corvette Club of Arizona, Mark and Anna Smith.

All requirements for membership have been completed and on April 20, 2023 the Board of Directors voted in the Smiths.

Mark and Anna live in Florence and travel back to Sequim, Washington from time to time. Mark was in construction prior to retirement and also served in the Army for 6 years. His hobbies are hiking, photography, volunteering and Corvettes. Anna was a Admin. Assistant and her hobbies include volunteering, line dancing and Corvettes. Congratulations to our newest members for joining the best Corvette Club in the valley and may they have the best of times in the best car.

The membership is now at 93 members. Mark

NCCC Governors Report

Ray Jenkins

I attended the NCCC National February NCCC meeting in St. Louis, MO.

The rule book changes did not pass last year. The committee came up with wording that is generic allowing the approval of the rule book in pieces or groups that are related. This will allow the governors to:

Vote no on a part that they don't like and vote yes on everything else. Final version should be in the minutes.

NCCC is looking for a new company to provide championship rings. Use "Car Show" vs Concourse on flyers.

A trial for this year: trying to split top 15 into speed events and non-speed events and have top15 men and ladies in each category. Want to see how it works. Keep an open mind.

Time trial change would allow three sanctioned events per session. Will be on the ballot in November.

Want input as to whether to keep record drags or continue with class drags and let individual tracks keep records. Not many participants. NCCC needs your input.

The business manager discussed new insurance. All flyers must include "Non-NCCC Members are not covered by NCCC Insurance". This requirement was also done in the past. When non-members become Corvette Enthusiasts, then they would be covered. Everyone MUST sign their own waiver. Do not sign in for someone else. In a past case, an official signature authenticator found that the document was signed by the spouse; the insurance did not pay. I reported that the new cars cannot have roll bars installed and will not be able to participate in races.

Vicki said the GALA in Albuquerque was first rate; the hotel was superb; the trips were fun, and it was a top-rated event. Please pass accolades to all members planning the event.

If you have a question pertaining to the insurance policy, the business manager requests that you read the policy on the NCCC website.

A motion was made by Ed Luse, seconded by Jim Zaborsky to adjourn the meeting.

Ray Jenkins
NCCC Governor

[Roadrunner region website](http://Roadrunnerregionwebsite.com)

North Dakota Picnic

Dick Hedahl

The 2023 ND Picnic was a good success. Several of our CCA Members participated. We had 20 vehicles with 6 Corvettes at the show.

There were over 3000 people who attended the event this year. Dick

Hagan Breakfast

Frank and Nancy Hagan

Well another one for the books. We believe this was #32. They originally started at Fitch Park in Mesa back in the 80's before bringing it to our house. Fortunately the weather was beyond perfect for the 31 Corvette Club members and guests that showed up at 9 a.m. with food in hand. The food brought by everyone was excellent and was devoured with not much left over. It seems everyone had a great time and it lasted almost till 2:30 when the last stragglers were finally asked to leave "ONLY KIDDING". Anyway we loved having everyone over enjoying the Hagan party house and we're looking forward to doing it again next year.

Click below for more photos from Dennis Hughes

Sun Lakes Car Show

Sheryl Katz

In early March I was contacted by our Sun Lakes HOA to see if I knew of anyone that might be interested in participating in Robson Reserve's first car show. Of course! #\$\$@!\$#!# Robson Reserve, formerly named the Renaissance, is a luxury senior retirement community offering independent living, assisted living, and memory care. Many CCA members who reside in Sun Lakes and nearby Chandler neighborhoods are familiar with this facility since the large campus is located adjacent to the Sun Lakes community on Riggs Road.

The event was advertised for Classic Cars with free registration, a free lunch, and prizes too! After speaking with their host, Jay McKnight, about our club, he was thrilled to hear that we'd be interested and he mentioned that any year Corvette would be fine. That was just the beginning! Jay also gave us prime parking spots and first access for parking. He staged the other entrants to arrive after us.

It was a spectacular day for everyone. Two days before the show we had cold and rainy weather. But, the morning of the show we awoke to sunshine, blue skies, and warm weather - PERFECT for a Car Show! Since the total show parking spots were limited by the size of the area designated for the event, Jay closed registration after 12 CCA cars were registered. However, unbeknownst to me, one more CCA car had been registered outside our group but he lucked out - a space was available to park with our club. And, that meant we had a total of 13 cars in their show; fabulous!

Sun Lakes car show cont.

It was a great scene too. A wonderful variety of classic cars, including Larry and Cathy Maiorano's awesome 1968 yellow Jaguar roadster, filled the parking area. Things got underway quickly and before we knew it, **Cactus Wine**, a three piece band, started playing. Their music was fun and added a festive atmosphere to the day. MANY of the residents and outsiders came to see the cars. Their enjoyment and questions made it extra special.

Shortly after the music started, it was time to eat. EVERYONE in attendance was treated to a delicious BBQ lunch at poolside which included hot dogs, hamburgers, baked beans, potato salad, cole slaw, chips, drinks and a cookie. WOW!!

The morning flew by and at noon, winners were announced. CCA's Lylla Alejandro took first place and, I was informed by Jay, it was by a landslide. Way to go Lylla!! Shortly after the announcements everyone headed home to enjoy the rest of that glorious day.

NCCC Spring Gala

O'Boyles

New Mexico Corvette Association Spring Gala March 24-26

CCA was represented at this event by 7 club members. (Eva and Heinz Platten, Arlene and Roger Craig, Gary Radvany, and Cec and John O'Boyle). We departed from the East Valley on March 23 and overnighted in Holbrook enroute to the Gala. Our destination and the headquarters for the Gala was the Isleta Resort and Casino just south of the city of Albuquerque. In all there were 6 Clubs from the Road Runner Region that participated; Tucson Corvette Club, Phantom Vettes, Thunder Vette Set, Rio Grande Corvette Club, New Mexico Corvette Association, and Corvette Club of Arizona.

There were 105 attendees who enjoyed a variety of activities including museum visits, historic sites, and local shopping. The weather didn't cooperate but the organizers were able to make adjustments on the fly.

CCA Gang at the Saturday Night Dinner at the Isleta Resort

The planned Cruise to Sandia Crest was closed due to snow and ice. Yes, the temps were about 20 degrees below average for this time of year.

The organization was terrific on the cruises to the various activities. We had a leader and a following car who kept the groups together and no one got lost. Just to give an idea of the organization - there are 91 people in the NMCA and 61 came to the Gala. Great turn-out. The activities were available both days and, besides those mentioned below included a visit to "Old Town" Albuquerque and Old Town Santa Fe, and the Unser Museum. The Unser family is famous in the city having resided there for 3 generations.

The Saturday night Banquet was notable in that everyone at the banquet received a door prize. The Club decided to make sure no one went home without some sort of prize. Our own Heinz Platten won the Grand Prize, \$200.

On Sunday those attending the Petroglyph historic site had to contend with snow enroute as did those going to the Nuclear museum. Who knew the Corvette was a snow car? Well, actually the snow didn't "stick" and we were fine. But it was exciting! John O'Boyle

CORVETTES!

Ladies Hat Driver

Elly Palmer

A girl must have the right hat for the right occasion. So, 8 of our CCA ladies and a guest drove down to Florence to the True Value Ace Hardware store, in search of a Derby hat. If you haven't heard, there happens to be quite a rather remarkable collection of hats there. Go Figure! Anyway, after about 30 minutes and lots of laughs, we made our purchases and headed to lunch. We dined at Robson Ranch Grill. The weather; Fabulous. The drive; without incident. The company; Awesome! All cars were returned home without a scratch and without any meltdowns. I, however, took one amazing nap when I got home! Thank you, ladies, it was a Blast! Elly

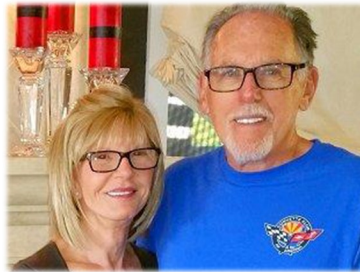

Tom not having a meltdown!

Progressive Dinner

The Progressive Dinner was being hosted by Mark and Penny Dahlstrom, who had the appetizers, Frank and Nancy Hagan for the main entree and Guy and Norma Lombardo who offered the wonderful desserts. The weather was perfect for this anticipated event. Frank and I missed the appetizers as we were busy cooking the main meal. We were told Mark and Penny, who got their feet wet at this event, put out a fabulous spread and the lemoncello wasn't bad either. The main entree was just ready when everyone showed up for round two. When everyone showed up you would have thought they hadn't eaten in a month as they filled their plates with baked Ziti, meatballs, green salad, and garlic bread. We were able to host it in the back yard giving everyone plenty of room. And then, off to the Lombardos who prepared a wonderful dessert presentation of cake to cookies and other sweets. Thanks to all the participants, and to the Dahlstroms, Hagan's and the Lombardos for a very successful dinner. Nancy Hagan

Vette Set Dinner

Neil and Tina Pivar

On March 19th, 16 of our fellow CCA'ers joined us at Anaya's Fresh Mexican Restaurant for a Vette Set Dinner. The food was very good and the company was lively. The Mariachi music was Great! Join us next time? Tina

All in the Family

Elly Palmer

There we were at the February CCA meeting when Howard Katz popped in with flyers sporting the wonders of Bob and Pam Swanson's BLUBYU C7. I am sitting in the peanut gallery watching my husband completely engrossed in the presentation. As the moments passed, I had an overwhelming urge to run over to him and dab the drool from around his mouth. I knew right then...he was on the "hunt". Bear in mind as you read forward, Tom is if nothing else a methodical man.

After a brief chat, when we got home that evening, Tom called Bob and said he was very interested in the car. Mind you, we were heading out for a three-week vacation to New Zealand and Fiji within days and Tom hadn't started packing yet; not to mention my brother and his wife were going to be staying at our home in our absence (just a few preps to do there).

Tom's frame does not necessarily slide into any Corvette. Trying a car on for size is always a priority. Time was of the essence. So, we asked when the Swansons were "up and at 'em." Bob's reply...4 AM. The boys arranged a 7 AM meet the next morning, in part, so if it wasn't a good "fit" that we didn't hold the car hostage. Well surprise, surprise! Custom fit like we special ordered it! We handed over a deposit and the Swansons were gracious enough to let us store the car in their garage while we found a new home for our C6. They were tickled to know their "baby" was going to a good home and was going to be appreciated.

Tom put out an email through the club that our red flag C6 was for sale...and within hours Jeff Neimann called and voiced such strong interest, that he sent us a deposit without giving it the once over. He is looking to retire in a couple of years...he wants his own Corvette, and loves red. The Neimanns got right on clearing out garage space to take the red car. Within a few days all the financial transactions and registrations occurred, and the cars were swapped about. We were delighted a club member bought the red car and will enjoy it and we'll be able to see it being used by a real Vette lover. Much as he wanted to bomb around in his new toy...it was covered immediately until we got home from our trip. Although my brother who has owned a couple of corvettes himself, threatened to take it for a spin...he controlled himself. All I can say, "CCA is a great club and it's been fun keeping it all in the family". All Tom can say is "Good wife." Thanks! Elly

Founders Day

Rocks/Campises

On April 19th 35 members of CCA participated in the annual Founders Day Celebration. This year's event was a driver to Globe AZ via route 87 A and Highway 188. The Founder's Day Event attracted an 18-car caravan. It was a fantastic site to see a long parade of colorful corvettes navigating the winding road. The drive up 87A was the usual scenic tour we have done often. However, once we made the right turn on to Highway 188 everyone was treated to an amazing display of natural color and rewarded for putting up with such a cold and wet winter! The wildflowers on both sides of the highway to Roosevelt Lake completely covered the mountains and roadside areas. There were miles of yellow, orange, and purple wildflowers everywhere you looked! All our Founder's Day travelers remarked how amazing and beautiful the drive to the restaurant was (even the guys!). We arrived at Finch's Waterford Kitchen and Bar and took some group photos. We all had a delicious lunch with a view of Roosevelt Lake. After lunch we enjoyed our annual birthday cake. Some of the group returned home and 28 of the club members continued to caravan into downtown Globe. We met our tour guides in town and toured the historic courthouse, and then walked the crosswalk into the jail and learned a lot of the history behind this historic landmark. After our tour, we took some group photos, and some of the members headed back home while others went down to the Pickle Barrel trading post for some shopping, before returning home. The weather was perfect. It was a great day, and the end to another Founder's Day Event! Ken Rock
