From the President

Gordon Stewart

Hello all Members,

It's Springtime in the Valley and the nicest time for temperature and sunshine. Great days for driving our beloved Corvettes around town and country and participating in many of the events being offered by our club. It's been a busy year to date, and much more is being offered in the months ahead. Welcome to our new members. You will enjoy our club.

The Corvettes in the Park Car Show in Chandler on March 30th was very successful. Great weather, and attendance of around 90 Corvettes, 38% were member participants. \$1000 donation from was made to the US Vets/Phoenix, serving homeless veterans. Thanks for a very successful event headed up by Kevin Deihl and a large member support group.

The 50th Anniversary for Founders Day 1975 was held at the Colby Falls Event Center in Gilbert on 4/11/2025. Approximately 100 attended including many past members. A surprise entertainer, Rick Lenzi an exceptionally skilled Elvis Presley impersonator, filled the room with songs and dance. The venue was beautiful and the food excellent. I had the honor of saying a few words and toasting the event with all the membership. Fun was had by all. Thanks to Diana Campise and Susan Lovino and their team for the many hours spent organizing this Golden Anniversary.

Around these events we had several others including Hagan's Pancake Breakfast on 3/01/2025. They have been hosting this one for the past 30+years. Could we, in another 20 years be celebrating 50 years with the Hagans, it seems possible....and amazing too!

Looking at the months ahead, we have a steady stream of calendar of events planned for your selective attendance. The Gaslight Theater on 5/04/2025, Tacos & Tequila on 5/10/2025. The big Magic Mystery Tour is scheduled for 9/14-17/2025. There are a few spots left for this exciting long weekend trip to a secret location which is blinded in mystery and intrigue. Past years and trips have shown this to be a real fun experience. Check out our Calendar on the website for more information on these and many other events.

We are also planning for a fall Car Show, which in the past was for any vehicle with a Chevy engine in it. The details of the show are not yet confirmed. A committee is to be formed to ensure we get the best show yet.

The energy level is high within the CCA, and with many options you may participate in. We could use a few more in the summer months. If you have any ideas or want to sponsor something let us know. Thanks to all our hosts who are bringing forth these events. Enjoy the club, your Corvette and have fun. Gordon

From the Editor

Michelle Civalier

Wow!!

We're only 4 months into 2025 and we have had some Fun with a capital F, have we not??

In just the last two months, we've had the opportunity to attend a breakfast, a luau, a museum, a dinner and a driver. In addition, we had a fantastic car show put on by Kevin Deihl and rolled right into an amazing 50th anniversary celebration from Susan Lovino and Diana Campise. We have some extraordinary folks who can put together an event! I can't wait to see what else is coming for the rest of the year! (Contact Charlotte Hughes if you have an idea, hint-hint)

I have found with this second edition of Crosstalk, it is really, really hard to get all the photos in that I would like to get in. The car show photos are just really lovely and fun with our members hanging out. The event photos are just great, seeing our members relaxing and enjoying time with each other, eating and eating and eating....there certainly seems to be a lot of events with food as a main attendee! And look at how well you all clean up for an anniversary party, impressive! I really enjoy going through all the photos from each event and trying to find those that might be a little different and unexpected, so do me a favor..when you're at an event, try getting a photo to surprise me, make me laugh when I find it. That would be really great and maybe it might just get put in the next newsletter for everyone to enjoy. On that note, we also are a bit l-o-n-g with this edition, but in my defense, there were a bunch of really great events that deserved a spotlight and I like to honor the organizers, because they put so much time and effort into planning their event, they deserve a time to shine with their words. Thanks to everyone who participated!!

I wish safe travels to our members who may be leaving for the summer or just leaving for a vacation for a while. We'll see you again soon!

Cheers, Michelle

From the Vice-President

Dom Lovino

I had the pleasure and the honor to be the master of ceremonies for the CCA 50th Anniversary on Friday, April 11 th (this year's Founder's Day). What a great event! About 90 members and 9 former members were in attendance. The weather was fantastic for April, although it may have been on the warm side for this time of year. I know most of our members were able to attend. We started the day with a photo op at the waterfall. Hors d'oeuvres were served along with refreshments on the patio. As our members and guests arrived, some chose to socialize inside the fantastically decorated venue. A table with name placards and a 50th CCA window cling welcomed everyone in to find their name card. Seating was by your choice where to sit. The tables were decorated with black tablecloths, gold napkins and white chairs. The centerpieces were gold and black wine bottles with baby's breath. Each bottle had a special CCA label documenting our event. The gold bottles were a special Netflix chardonnay wine for one lucky winner at each table at the end of the event. Many of the black wine bottles went home as souvenirs. Members were encouraged to use a QR code to send their pictures and videos to a secure website. These pictures will be available on the home page of the CCA website by mid-May.

Gordon Stewart, CCA president, welcomed everyone to the event and a champagne toast was made to officially kick off the event.

Dinner was exceptional. The meal started with a salad. Baked cod and filet-mignon with potatoes and mixed vegetables was the main entree. During dinner, DJ Kevin Diehl provided the music. The center attraction was the three layer cake with our specially designed CCA 50th logo hand painted with frosting on the center layer. The cake (white almond or red velvet) was served as dessert.

On to the entertainment: I had the honor to announce, "Elvis is in the building!" Elvis (Rick Lenzi) walks into the room through electronic fountain sparklers. Elvis sang for about an hour. During that time, he presented 12 colorful scarves to some lucky ladies in the room. Elvis picked most of them. I helped point out one or two. Guess who received the yellow scarf? After the entertainment and photo ops with Elvis, I announced, "Elvis has left the building!"

Tom Palmer, former CCA president, recognized the members who have been in the club with the longest continuous membership. Each couple was presented with a bottle of champagne with their names and member-since date in gold lettering. (The Hagans 1979, the Mundys 2002, The Frieszs 2004 and The Kerbers 2005). We also recognized all former CCA presidents and took a group photo.

A special thank you to Susan Lovino and Diana Campise for planning this event over 15 months. You both went over the top in providing an exceptionally wonderful event. Thank you to Tom Palmer for finding the entertainment, which was enjoyed by everyone. Thank you to Kevin Diehl for DJ and music. A special thank you to Michael Lovino for photography and helping with the sound board.

From the Activities Director

Charlotte Hughes

No moss growing here! The CCA community has kept up its Activity Calendar with a variety of fun things to do. The CCA Board appreciates all those who have volunteered to take us to new places, to travel happily in our Corvettes, and to party with food and friendship along the way.

There has been the annual pancake breakfast at the Hagan's. Wow, what a beautiful day! Beautiful food. We had a group pretend they were in Hawaii at a Luau, dancing and enjoying Mai Tais. Read in this issue of Crosstalk about the Dwarf Car Museum, where exhibits show off the fine creativity of the builder of small, but proportional, automobiles. Then read on to see how the Friesz' driver to Payson, well really to Fargo's Steak House, gave us some thrilling curves and turns along the way there.

Many current and former members united to celebrate the club's 50th anniversary. Elvis was there. So were Susan Lovino and Diana Campise, our talented party planners. Many thanks, ladies, for an unforgettable afternoon.

Thanks to everyone who has stepped forward to pull off these events!

As the months move on, we will travel to Tucson for the Gaslight Theater and Beyond, events, the third annual Tacos and Tequila Party, an MMT in September. There may be space available for additions to the group. Contact the hosts if you want to go (somewhere?).

One of our annual events which has no host/hostess at present is the Progressive Dinner. If you and a few friends can organize this drive-and-eat event for 2025, let me know!

As Activities Director, I work to keep everyone informed with timely and accurate information. If you look at the CCA calendar on the website, you'll find the events to come and the names of the hosts/coordinators. Please contact me if you are seeking additional information or find an error.

Charlotte

New Members

Kevin Deihl

We have 4 new members to welcome to CCA

Ed and Beverly Armatys own several Corvettes, from a '57 to currently driving a 2014 Laguna Blue Coupe. They met the Palmers, the Gliots, and Tom Marks through their association with the Sunburst Corvette Club in the Chicago area. Both are enjoying retirement in Maricopa, AZ during the winter, and the summers in Illinois.

Bruce and Bonnie Wyres are owners of a 2021 Red Mist Metallic C8 Coupe. Bruce is an Air Force Veteran with 20 years of service as an Air Traffic Controller. He is originally from Maine. Bonnie is a retired School Teacher, originally from Pittsburgh, PA. Member John and Cec O'Boyle introduced them to CCA and we're glad they did!

hello

Upcoming Activities

May	June
1- Membership Meeting Floridino's 6pm dinner/7pm meeting 4- Gaslight Theater (Lombardo/Campise) 9- Chicks & Roosters Stone & Barrel 11am 10- Tacos & Tequila (Hughes) 22- Board Meeting (Platten) 25- Pool Party (Hagan)	1- Membership Meeting Floridino's 6pm dinner/7pm meeting 6- Showlow Driver (Nieman) 13- Chicks & Roosters Stone & Barrel 11am **No Board Meeting** TBD - Martin Car Museum (Bennett)
July	August

It may be hot and getting hotter in the Valley, but up in northern Arizona they are just getting started on their great weather...	Click the link below for a current listing of statewide car shows to enter or visit! www.arizonacarshows.com

KEY * CCA Event **Non CCA Event ***Vette Set Dinner

50 Years Ago...

1975 Corvette Specs

- The 1975 Corvette – “Here’s this year’s version of last year’s Best All-Around Car” boasts the 1975 Corvette sales brochure. The 1975 Corvette underwent only minor changes from the previous year’s model, keeping the best features of its predecessors and improving in other areas. The 1975 C3 marked the last model year that a true convertible Corvette was available for purchase until 1986.
- The 1975 Corvette offered two options in terms of interior, the standard interior option or the custom leather trim interior. For the standard interior, lavish, textured-vinyl panels and accents on doors, dash and console are all present. Built-in armrests, an assist grip, rich color-keyed, deep-twist carpeting underfoot, sound deadeners and insulation in areas such as door panels to help make your Corvette quiet and comfortable. As for the seats; tall, command-styled, individually adjustable buckets, deep-pleated and saddle-stitched for that Corvette feeling. They’re body-contoured with deep foam for your personal comfort and added support on long trips. Directly behind the seats, you find a lockable compartment for your valuables, plus a second lighted compartment for your not-so-valuables. In addition, you have six-and-a-half cubic feet of lighted and fully carpeted luggage space. Available colors for standard interior included: Black, Dark Blue, Light Neutral, Medium Saddle, Dark Red, and Silver. Also available, custom leather trim interior, for those who want the added flair, texture, and scent of genuine leather in the seating areas, plus cut-pile nylon carpeting and custom wood-grain vinyl accents on the doors and the console. Custom leather trim interior is available in: Black, Medium Saddle, or Silver, Dark Red, or Dark Blue.
- Some of the optional interior features include: Tilt-Telescopic steering wheel, with seven tilt positions and six inches of telescopic travel, sure to include a steering wheel distance and angle that were just right for any enthusiast. Four-Season air conditioning, not only does it provide an integrated cooling, dehumidifying, heating, and ventilating function, but excellent circulation control. These controls are built right into the console, moreover. AM/FM radio with dual speakers and AM/FM/Stereo radio with dual speakers– both options were available add-ons for the 1975 Corvette, and it’s hard to go wrong with either one. Also available factory-installed are: Power windows, Rear window defogger (coupe only), Custom Deluxe shoulder belts for convertible (color-keyed to your interior, Dual horns, Map light (mounted on inside rear-view mirror); includes a “head-lights on” warning buzzer. Also available were some dealer-installed accessories that could be decided on even after you take delivery. These items included: Citizen’s Band 23-channel radio, Right-hand outside mirror, Black floor mats, Compass, and Litter and Tissue container.

- Color Options:
- Classic White
- Silver
- Bright Blue
- Steel Blue
- Bright Green

- Bright Yellow
- Medium Saddle Metallic
- Orange Flame
- Dark Red
- Mille Miglia Red

Interior Colors:

- Black
- Silver
- Neutral
- Dark Blue
- Saddle
- Dark Red

Thanks to the National Corvette Museum

Pancake Breakfast

Frank and Nancy Hagan

If our memory is correct this was breakfast number 30. We had a full house with 45 total guests which included new members to the club and one prospective couple. We had a beautiful Arizona morning which was perfect weather for eating inside and out. Frank and I always hope that things will go smoothly however, the night before the breakfast we had a call from Howard Katz, who has been our trusty pancake chef for many years, that he wasn't going to be able to make it this time due to illness. We said we understood and remembered Dom offering to help. That night we called Dom and Susan Lavino to see if they were still available to pitch in and as always they were offering to jump in wherever needed. Susan offered to man the front door, check people in and collect the fee. Diana Campise was the happy bartender this year who made champagne and bloody marys for whoever wanted to have a cocktail with breakfast. A special thank you has to go out to Mark and Beth Godina who supplies the breakfast with his special concoction, Yum! Frank and I want to thank all the guests that came with a dish to share. If my memory can recall we had Monkey Bread, Vegetables, Coconut Cake, Banana Bread, Fruit Salad, Fruit, Ham, Berries, Sausage Casserole, Scones, pancakes and scramble eggs with corn beef hash, no one left hungry. Last but not least we also need to thank Mary O'Connor for making the morning coffee and washing whatever needed washing. Thank you all for coming to this event and making it a success. Till next year!

North Dakota Picnic in AZ

Dick Hedahl

The 2025 North Dakota Picnic in AZ and Classic Car Display took place Sunday, March 2nd on slightly chilly, but sunny morning.

Roosters Hosted by Dennis Hughes

Happy
St. Patrick's
Day

Royal Islanders Luau

Ken and Mary Rock

On the evening of March 15, 30 members of our Corvette Club took an imaginary trip to the Hawaiian Islands via Royal Islanders Luau! We were all treated to an evening of fantastic Hawaiian entertainment and great food with a continuous flow of complementary Mai Tais. The evening started with a concert from the owner Tia and his combo featuring traditional and Hawaiian music. We then all savored a delicious Hawaiian buffet dinner of teriyaki chicken, pulled pork and an assortment of side dishes. We also of course had “Hawaiian Dinner Rolls” and pineapple upside-down cake for dessert! All the ladies wanted the recipe for the macaroni salad. After everyone finished dinner (some of us went back for seconds) we sat back, and the show began.

There was a Hawaiian Luau convention in Phoenix that weekend, so we got an extra special show. The entertainment started with the Royal Island girls performing an assortment of traditional Hawaiian Hula dances in their grass skirts. They were followed by special guests of girls allowing us to experience authentic Tahitian dances.

Some of the ladies in the audience were asked to join the girls and learn some of the Hula dance moves and they entertained the audience. Jennifer Deihl and Onalie Minahan represented CCA.

Then the Royal Islander men performed the Hawaiian Haka Warrior Mean Face dances, and the amazing Samoan fire dances with lighted torches, which were phenomenal! The men in the audience were then invited to learn the Haka Mean Face dance. Kevin Deihl and Gordon Stewart volunteered to learn and perform the Haka showing us their mean and angry faces! Kevin stole the show with his mean face!

Everyone had a great time and we're planning to return to the Royal Islanders in the future!

Vette Set Dinner–Fiesta Mexicana

Roc and Diana Campise

The location in Gilbert has a very colorful ambiance, drives good vibes and more importantly, delicious Mexican food. The 12 inch plates were chock full of eating delights with all attendees seeming to enjoy the food.

The participation grew very quickly with a large waiting list, so we, Diana and I went back to the restaurant to add additional dining space for 10. Spoke with the manager who seemed to add the additional requirements to our initial reservation. Unfortunately, he never staffed for the larger seating requirements or provide the evenings staff with a heads up.

As the CCA members came in, we kept adding additional tables and chairs to what turned out to be 30 feet long. The only problem was, the tables were not pre-set. You can imagine what came next. Table set up, water service, utensils and menus. We only had one server for 30 people.

I pressed myself into service, delivering silverware, napkins, replenishing the empty water glasses. Drinks were being served, some forgotten and food order taken. Helter skelter came the food delivery. Waiter yelling at the tables, “who ordered this and that”. Guess who was serviced last, the Samples. They took in stride and vanquished their meal.

Our group was visiting one another with good vibes and basically overlooking the mediocre service.

I had one last chore to do, give out the take home boxes.

Corvettes in the Park

Kevin Deihl

Corvettes in the Park happened again in Downtown Chandler on March 30. Kevin Deihl, our car show chair, along with a resilient team of volunteers, enjoyed a wonderful sunny day in Chandler, AZ. Thank you to all the volunteers who helped make it a Great Show. We had sufficient help to ensure a smooth flow for the entire event. Starting the show at the registration tables and the smiling faces of all our volunteers is a welcoming site for our participants! Thank you, Team!

As soon as we open the gates, the parking squad goes to work. These Brave Men and Women could not have done a better job getting the cars positioned in their respective areas. Yes, we parked by class this year and for the most part I heard nothing but how happy people were about that. It also makes for great photos too!

Our Raffle team got to work early and did an outstanding job to raise over \$560 for CCA.

Corvettes in the Park

continued

With music and an experienced announcer, the show continues. Thank you, Bob Bassett, for representing our guests, staff, and vendors professionally. Our club car sponsor is Freeway Chevrolet, and they were in attendance all day! Salesmen Andrew Billy spent his day off with his son, Braxton, at our show. Thank you to Freeway Chevy!

Our chosen Charity, US Vets/Phoenix was in attendance, and again they were very happy with the number of visitors who stopped to learn about what programs they have to offer to local Veterans. With 93 paid registrations, \$10 from each going to US Vets, CCA was able to present a check to them for \$930. The BOD unanimously voted to round up the amount to an even \$1000.

Corvettes in the Park

continued

And finally, the awards were presented to some of our finest examples of Corvettes on display. Congratulations to all for participating!

Dwarf Car Museum

Anna Baumiller

On April 8, 2024 I was happy to host a drive to the Dwarf Car Museum located south of Maricopa. John Wayne had a significant connection to Maricopa, Arizona, particularly between the late 1950s and early 1970s. He purchased a large farm between Maricopa and Stanfield, which he initially used for cotton farming before transitioning into cattle raising. His presence is still recognized in Maricopa through the John Wayne Parkway and many streets are named after his movies.

We took some back roads from Chandler enjoying the wide open spaces of the beautiful Arizona landscape.

After about 50 minutes we arrived at the Dwarf Car Museum. Ernie Adams, originator of the dwarf car, has made a name for himself building Dwarf Race Cars and scaled down replicas of classic cars called Dwarf Car Cruisers. These handmade works of art now have a home in Maricopa, Arizona.

It is an everyday opportunity to sit and visit with Ernie Adams around the big table near a wood stove that keeps you warm on those cool days. On the table you will find cookies to eat with your coffee or pop as you listen to his stories.

After about an hour and a photo op, I rounded up everyone and we headed to Casa Grande.

We traveled through Stanfield passing many places where the Duke spent his time.

We arrived at BeDillons Restaurant where we had a wonderful atmosphere, food and service. Steaks, seafood & Southwestern fare are provided in a vintage adobe home with patio & cactus garden.

We had excellent participation with 21 going to the Dwarf Car Museum and 22 at BeDillons for lunch.

Driver to Payson & Fargo's

Dave and Patty Friesz

To celebrate the 50th year of CCA Drivers, we planned this trip in honor of the several trips to Payson that we have planned for CCA over our 21 years of membership. It has always been a favorite among the members. The day was perfect for a Corvette Driver to high country with comfortable temperatures and sunny skies. Seventeen members and one prospective member headed toward the Mazatzal Mountains with vistas of the panoramic Mogollon Rim along Beeline Hwy (87). Surprising, the traffic was light on this Wednesday, April 23rd morning, allowing for time to take in the spectacular rock formations and desert scenery on the way. Destination for lunch was Fargo's Steakhouse in Payson on Hwy 260. We enjoyed Fargo's outside patio seating, great food and service. We also celebrated an April birthday, Sheryl Katz, and an anniversary, Ken & Mary Rock, with chocolate cake for each. After lunch, several members decided to visit the shops in Payson before heading home. Camaraderie was enjoyed by all and we enjoyed planning another event for CCA.

Happy Birthday!
