If you are interested, you need to sign up now as this event is filling up!

So, this is NOT a wait and see event. Here's what to do NOW:

Click on the link above then....

1. Click “Get Tickets” (it may be changed to “Get Registered.”)
2. Click dropdown and select quantity (1) in any open section. You will need to increase the number you need if you plan to also attend the Cup Series race on October 18th to the total number of tickets you need for that. These are all at the discounted price.
3. You can also select the seats you’d like, see the seating map on the page. If you don’t select seats they will be assigned by the system.
4. Click “Continue”
5. Under Order Summary, select Car Club/Organization in dropdown. Corvette Club of Arizona (CCA) is on the list. Select that.
6. At the top of the Payment page enter the group name – we’re Corvette Club of Arizona. Enter Payment information and click “Confirm”
7. You will receive an email from FEVO Enterprise with the tickets in a short while.

If you have questions Doren Weil, listed in the above link, has offered to help (623.463.5618).

Tell him you’re in the CCA group. The Raceway Flyer says “Under the Lights” but we will be going in the mid to late afternoon and will be in daylight.

WHEN YOU SIGNUP, PLEASE DROP ME A NOTE SO I CAN SEND YOU THE TIME WE NEED TO BE AT THE TRACK SO WE GO OUT TOGETHER.
