NCCC Governor: Ray Jenkins;

NCCC is made up of 11 clubs in our region. They meet quarterly to discuss and promote clubs to get together at each of their functions. NCCC started in 1959 and in 2009 celebrated 50 years. NCCC interest is to promote Corvettes and its Participants as the American Sports Car. There are 250 clubs, and 16 regions. Competition Director has set up Team Meetings and zoom meeting on count of COVID as well a region meeting. Sierra Vista started a kick off meeting, which our Club did in 2019. Colorado Club is planning on in 2022 in Laughlin for socializing and touring the area. Many events have been cancelled due to COVID. Membership Cards have been sent out, if yours is wrong please contact Ray Jenkins to get it corrected. The All-Chevy Show is planned for October 31, 2021. Blue Bars Magazine is now available in paper (magazine) or electronic form. If you receive it in electronic form you will get a prompt to let you know you are getting an email for the magazine. If you receive it one way and wish to change, please contact Ray Jenkins. Next regional meeting is April 15th, thru zoom. If you have any interesting articles please send to Barb Johnson or to Ray Jenkins. Many upcoming meetings will be planned outside. For any sanctioned meeting you may want to attend, be sure you go to the NCCC website and preregister for the event, do not just show up to a sanctioned event without preregistering. If you want to attend one of these events, please contact Ray Jenkins as he attends all of them. He would be more than happy to travel along with you to the event. Benefit of NCCC holds all the clubs together and they also insure all of our events for CCA liability.
